- 1.1. This Price List sets out the Charges for the Wholesale Services and Ancillary Services at the date the Wholesale Service Agreement takes effect and provides a mechanism to make any adjustments to the Charges.
- 1.2. References to the Operations Manual are references to the relevant Operations Manual for a Wholesale Service. The operational requirements for each Wholesale Service are set out in the Operations Manual.
- 1.3. References to clauses or sections are references to clauses or sections in this Price List unless expressly provided otherwise. The definitions set out in the General Terms and the Operations Manuals apply to the extent that they are not expressly modified by or inconsistent with the context of this Price List.

1.4. Definitions

In this Price List:

Ancillary Charges are the charges for the Ancillary Services set out in Appendix 3.

Charges means Ancillary Charges, Recurring Charges and Transactional Charges, as the context requires.

Core Charges means Transactional Charges and the Recurring Charges.

Group A Central Office means a Central Office listed as a "Group A" Central Office in Appendix C of the Service Description for Fibre Interconnection Services.

Group B Central Office means a Central Office listed as a "Group B" Central Office in Appendix C of the Service Description for Fibre Interconnection Services.

Recurring Charges are the monthly recurring charges for Wholesale Services set out in Appendix 2. The Recurring Charges are subject to the Price Caps published by CFH.

Service Provider On Boarding Process means the process for set up of a new Service Provider involving the establishment of commercial relationships, co-location, OSS/BSS interfaces, interconnection links and layer two interoperability.

Transactional Charges are charges (primarily for one-off activities) in respect of specific Wholesale Services that are set out in Appendix 1. The Transactional Charges are subject to the Price Caps published by CFH.

UFB Non - CFH Miscellaneous Ancillary Service Charges are charges for the Ancillary Services outside the scope of the UFB arrangement as set out in Table B of Appendix 3.

2. Charges

- 2.1. The services referred to in Appendix 3 are the Ancillary Services.
- 2.2. Transactional Charges and Ancillary Charges can be either:
 - 2.2.1. fixed;
 - 2.2.2. calculated on a fixed hourly rate (plus materials where applicable); or

- 2.2.3. expressed as "price on application" (**POA**) to reflect the underlying cost of providing the resources and project management skills required to provide the service.
- 2.3. For all POA price items, the LFC must, if requested by the Service Provider, use all reasonable endeavours to provide the Service Provider with two or more competitive quotes.
- 2.4. Charges will become due and payable and will be invoiced in the manner described in the Appendices, subject to the provisions in the General Terms relating to invoicing and payment of Charges.
- 2.5. All prices in this Price List exclude GST.

3. Adjustment to Ancillary Charges

- 3.1. Subject to the approval of CFH in accordance with clause 3.4, the LFC will adjust the Ancillary Charges referred to in Table A of Appendix 3 to pass through increases or decreases in the cost of providing the Ancillary Services.
- 3.2. When adjusting the Ancillary Charges under clause 3.1, the LFC must also review all Ancillary Charges which are POA and provide a fixed price where this is practicable (such fixed price to be subject to the approval of CFH in accordance with clause 3.4).
- 3.3. Once an adjustment has been calculated under clause 3.1 or 3.2 the LFC must give notice to CFH of the adjustment and provide CFH with supporting information.
- 3.4. CFH will respond to the LFC within 20 Business Days from receipt of the notice given under clause 3.3 to approve or reject the adjustment. Any adjustment to an Ancillary Charge calculated under clause 3.1 or 3.2 will take effect from the date CFH approves the adjustment or such later date as notified by CFH provided that such later date may not be more than 60 Business Days after CFH's receipt of the notice under clause 3.3.
- 3.5. The LFC may adjust the Ancillary Charges in Table B of Appendix 3 (the UFB non CFH Miscellaneous Ancillary Service Charges) at the LFC's discretion (and without requiring any approvals under this Price List) on 30 Business Days' notice to the Service Provider and CFH.

4. Early Termination Charges

- 4.1. Each Wholesale Service is subject to a Minimum Service Term.
- 4.2. If:
 - 4.2.1. a Primary Service Provider terminates or otherwise relinquishes a Wholesale Service prior to the expiry of the applicable Minimum Service Term (other than where the Service Provider has terminated the Agreement or the applicable Service Order in accordance with clause 22.1 of the General Terms); or
 - 4.2.2. the LFC terminates the supply of a Wholesale Service to a Primary Service Provider prior to the expiry of the applicable Minimum Service Term in accordance with clause 22.1 of the General Terms,

and that Wholesale Service is or was the first Wholesale Service to be provided to the relevant Premises, NBAP or End User Tenancy within an MDU (as applicable) using the LFC's Network then that will be an early termination event (an **Early Termination Event**) for which early termination charges (**Early Termination Charges**) will be payable by the Service Provider (unless waived by the LFC in accordance with clause 4.4).

- 4.3. This section 4 sets out when Early Termination Charges are payable by the Service Provider and how those Early Termination Charges are calculated.
- 4.4. The LFC may, at its discretion, elect to waive Early Termination Charges that become payable by the Service Provider.

General Rule

- 4.5. Except as expressly stated in the General Terms or provided for in this section 4, in the event of an Early Termination Event, the LFC may require the Service Provider to pay to the LFC Early Termination Charges equal to the remaining number of months (or part months) in the Minimum Service Term multiplied by the then lowest monthly charge for a Bitstream 2 Service.
- 4.6. For example, if at 1 July 2012 a Service Provider terminates a 100Mbps down / 50Mbps up Bitstream 2 Service (2.5Mbps symmetrical CIR) (priced at \$55 per month), which is 6 full months into a Minimum Service Term of 12 months, the LFC may require the Service Provider to pay an Early Termination Charge of 6 times \$37.50 (being the remaining 6 months multiplied by the then lowest monthly charge for a Bitstream 2 Service).
