

Monthly Connectivity Update

February

RBI2/MBSF

This month there are another 255 households or businesses connected!

4 of CIP's partners have new or upgraded towers ready to connect local households or businesses: Enhanced Solutions has 9 towers, Lightwire has 6 towers, Primo Wireless has 12 and Unifone has 9! Contact them to get your broadband connected.

Primo – Tuahu

Lightwire – Rocky Range site

UFB

In February 3 UFB towns were completed, Kapiti, Opunake and Wairoa. You can contact your service provider to get connected!
