

Monthly Connectivity Update

March

RBI2/MBSF

510 new households or businesses are now able to connect with wireless broadband this month – that’s 74 new or upgraded towers!

With the programme really underway now, nine of CIP’s partners are providing new coverage this month: AmuriNet, Enhanced Solutions, GisborneNet, InspireNet, Lightwire, NZTech Group, Primowireless, Ultimate Broadband and Unifone.

Enhanced Solutions – Whakamaro

AmuriNet - Glynwye

UFB

3 UFB towns were completed in March, Katikati, Reefton and Te Puru, with two towns on the fringe of Hamilton also able to connect – Ohaupo and Hautapu.

You can contact your service provider to get connected!
